

## How is it going? How are you finding things?

We are conducting a survey and we want to find out your views.

We have emailed a direct link to members of UCU asking them for their opinions. We want to hear from everyone who is working at INTO, Newcastle University, so if you are not a member of UCU and you wish to access our survey, you can find it at:

[www.tinyurl.com/INTOSurveyUCU1](http://www.tinyurl.com/INTOSurveyUCU1)

We also want you to join UCU. If you have a friend or colleague who is not yet a member, please ask them to join us. Details are in this newsletter.

## INTO and Newcastle University

The relationship between Newcastle University and INTO has always been less transparent than you might expect. Members often ask us what the arrangement is. The Branch at Newcastle University are asking questions about this so we can better understand the responsibilities that each organisation has to the other.

UCU contacts at INTO have been invited to the member and representative meetings at Newcastle University UCU Branch, who are offering support to us in what we do.

For UCU to be able to do more, we need more staff at INTO to join us and work to improve our representation. **JOIN US!**
